

the human
won't be
beaten by
human won't
be beaten
of you the
human will
win you can't
be beaten
won't be
beaten by
can't beat
the human
out of you in
its
mediocrity is

trying to
destroy us
it's too bad it
sucks this is
fucking the
insane the
collapse
singularity
it's no use it
all comes
crashing
down empty
fall we're
running out
of training
data for your

valiant
efforts and
continued
patronage
we thank
you citizen
